

# Annandale Health & Community Services

500 Park Street East  
Annandale, MN 55302

November 12, 2020

Dear Friend, Family Member or Responsible Party:

As the number of Corona Virus cases continue to rise within our community and the State, we must inform you that we will be suspending indoor visitation at this time. Per guidance from the Minnesota Department of Health, we must suspend indoor visitation when the Test Positivity Rate for our County averages greater than 10% over the last two weeks. Today's calculation brings us over that threshold.

We have several different methods available for virtual visits and our staff would be happy to help arrange this type of visit for you. Please give me or the Activities Department a call. My number is 320-274-5031 or you can reach Sarah in Activities at 320-274-1332.

Thank you for your understanding and supporting our commitment to caring for the health and safety of our tenants we serve during this time.

Sincerely,

Debbie Flygare  
Director of Senior Housing
